Fds his report in the matter.

4) It is reported that protests of the kind were being raised by the Rd cl since the year 1939-40 As a trial the Rd cl had proposed to lease out the eight stalls on a monthly rent of Rs 10/- per stall during last year But this arrangement resulted in a loss of about Rs 95/- as compared with the previous year Thereupon the DC advised the Rd cl to cancel the tenders which was accepted & re-sell the vending of mutton in stalls, which was done & given to the highest bidder

5) ~~In the~~ Having regard to the objection petition under ref cl, it is reported that the Rd cl proposed to lease out the stalls to six signatories now, at a daily rent of Re 1/ per shop & to give away the remaining two stalls to the other applicants. It is stated that the four petitioners did not agree to the proposal. They want to have a monopoly over all the eight stalls Consequently the Rd cl ~~have~~ resolved to sell the stalls by public auction.

6) The DC feels that the action of the Rd cl is alright as it would be beneficial to the Council considering the several fixed Commitments which the Council has to answer and recommends that the petition may be rejected.

Submitted for orders.

Re Disposal of Mutton Stalls in the Tarikere Town Municipality

---

With reference to your Memo No L.10759 dated 28th April 1945 forwarding the petition of S Lakshmana Rao and others of Tarikere and calling for a report on the above subject, I have the honour to forward herewith the records ending with Tarikere Municipal President's letter No Gc.1/45-46 dated 1-7-45 and to state as follows

1. The representation of the Petitioner is that the right of vending meat in the municipal slaughterhouses at Tarikere is monopolised by the ~~by the~~ monied persons of a single community who are violating the terms of the contract and that therefore the stalls may be given to them (Petitioners) as they are professional Poor Butchers- During the year 1944-45, the Municipal Council had proposed to lease out the eight stalls on a monthly rent of Rs 10/- per stall By this arrangement, the Municipal Council had to incur a loss of about Rs 950/-, as compared with the previous year Hence the Municipal Council was advised to dispose of the stalls to the best advantage of the Municipality. Accordingly the tenders that were accepted were cancelled and a re-sale was held on 3-9-44 and the stalls were given away to the highest bidder

2. In view of the representation made by the professional butchers, the Municipal Council proposed to lease out six stalls to the six people at a daily rent of Re 1/- per shop, and to give away the remaining two stalls to the other applicants As the butchers did not agree to the terms of the Municipal Council and as they wanted the monopoly of all the eight stalls among the only four people, leaving aside the other two signatories the Municipal Council have finally decided on 30-6-1945 that

that the eight stalls may be sold in public auction It is stated that all the four professional butchers belong to the same family and that the inconvenience continues to exist though all the stalls are given to them. The decision of the Municipal Council seems to be alright, as the disposal of the right by sale is beneficial to the Council, considering the several financial commitments which the Council has to - answer

In the circumstances, I request that the Petition in question may be rejected

I have the honour to be,
Sir,
Your most obedient servant,

- [illegible]
Deputy Commissioner,
Kadur District.
